

# Searching for CCE Opportunities

Questions: Email [oi@carrollu.edu](mailto:oi@carrollu.edu)

Go to <http://cce.carrollu.edu>. Click on “Programs” on the top right or on “CCE Program Search” on the left-hand menu.

The screenshot displays the Carroll University website. At the top left is the Carroll University logo with the tagline "a proud heritage, a promising future". To the right of the logo is a navigation bar with "PROGRAMS" circled in red, along with "STAFF" and "LOGIN/REGISTER". On the left side, a vertical menu lists various university services, with "CCE PROGRAM SEARCH" circled in red. Below the menu is an "ANNOUNCEMENTS" section titled "Spring 2013 CCE Fair", which states that the Office of International Education (OIE) will host the first ever Spring CCE Fair on Thursday, February 14th, from 10:30am-1:30pm in the Campus Center Ballroom. A "View All" link is provided below the announcement. In the center of the page is a large graphic for "CCE cross-cultural EXPERIENCE CARROLL UNIVERSITY" featuring a globe. Below this graphic is a collage of four images: a coastal landscape with a lighthouse, a large dome, a classical building with a dome, and the Colosseum in Rome. At the bottom of the page, contact information for the Office of International Education is provided: "Office of International Education | Carroll University, A. Paul Jones Scholars Hall | 100 N. East Avenue | Waukesha, WI 53186, Phone: 262.524.7658 | Fax: 262.574.2603 | oi@carrollu.edu".

## Option 1: Map Search

The default search option is the Map Search. When you move your cursor over the various continents they will turn orange if Carroll University has a program in that continent.

The screenshot displays the Carroll University website's navigation menu on the left, including links for CARROLL UNIVERSITY, OIE HOME, CCE HOME, CCE PROGRAM SEARCH, GET STARTED, FINANCES, RESOURCES, HEALTH & SAFETY ABROAD, CCE STUDENT AWARD, TRAVEL REGISTRATION, and ANNOUNCEMENTS. The ANNOUNCEMENTS section features a notice for the Spring 2013 CCE Fair. The main content area is titled 'Programs > Map Search' and includes a 'Programs : Map Search' header with a 'Hide Tips' button. A tip box explains the search process: 'To find a program using this map search tool, first click on the continent and then click on the country that you would view. You can go to the brochure pages of the programs by clicking on the name of the program when it is displayed.' Below the tip are search options: 'List All', 'Simple Search', 'Advanced Search', and 'Map Search' (circled in red). A world map is shown with Europe highlighted in orange.

When you select the continent the map will zoom in on all of the countries where we currently have CCE opportunities.

You may then select the country you are interested in to view what types of programs we offer:

The screenshot shows the Carroll University website's 'Programs > Map Search' interface. On the left is a navigation menu with links such as 'OIE HOME', 'CCE HOME', 'CCE PROGRAM SEARCH', 'GET STARTED', 'FINANCES', 'RESOURCES', 'HEALTH & SAFETY ABROAD', 'CCE STUDENT AWARD', 'TRAVEL REGISTRATION', and 'ANNOUNCEMENTS'. The 'ANNOUNCEMENTS' section features a 'Spring 2013 CCE Fair' announcement. The main content area is titled 'Programs : Map Search' and includes a 'Hide Tips' button. A tip box explains how to use the map search tool. Below the tip are search filters: 'List All', 'Simple Search', 'Advanced Search', and 'Map Search'. A map of Europe is displayed with France highlighted in orange. A pop-up window for France lists three programs: 'Burgundy School of Business', 'Institut d'Etudes Politiques de Bordeaux', and 'NCE320: Paris - Art and Culture'. A 'Back to Region' link is located at the bottom of the map area.

In this example you will see that we have three programs offered in France:

- Burgundy School of Business
- Institut d'Etudes Politiques de Bordeaux
- NCEP320: Paris – Art and Culture

The first two are two of Carroll's exchange program offerings. These are study abroad programs where a student would apply to attend a university abroad for an entire summer, semester, or academic year. The third is a faculty-led program. In this type of program a student would enroll in a course at Carroll University and then travel to the country with the course instructor and all of their classmates. Faculty-led courses include travel that usually ranges between 1-5 weeks.

You can click on the program name to be taken to the program brochure which will provide details about the CCE.

## Option 2: Simple & Advanced Search

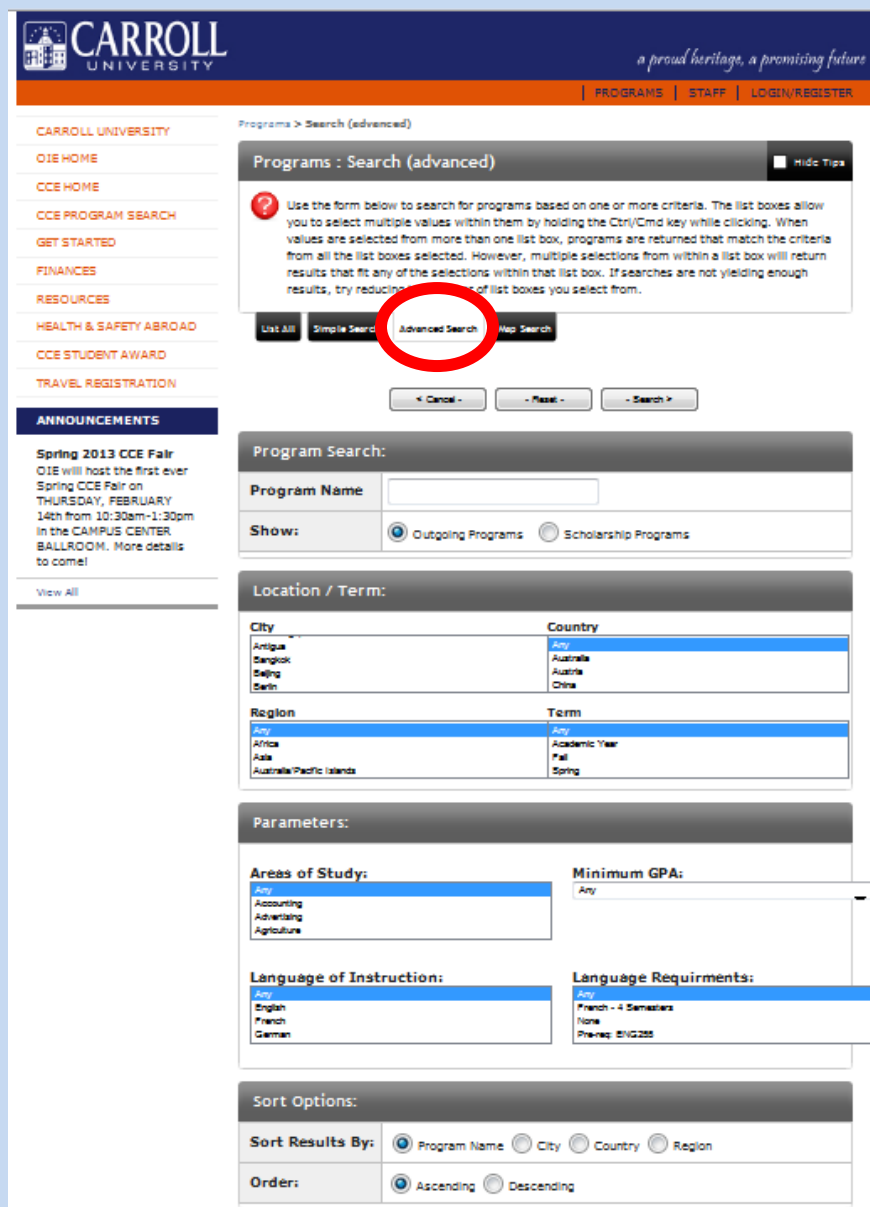

The second way you can find a CCE opportunity is to do a Simple or Advanced Search.

When doing an advanced search you may search on the following criteria:

Program Name  
Term  
City  
Country  
Region

Areas of Study  
Minimum GPA Requirement  
Language of Instruction  
Language Requirements

An advanced search looks like this:

**CARROLL UNIVERSITY** *a proud heritage, a promising future*

PROGRAMS | STAFF | LOGIN/REGISTER

Programs > Search (advanced)

**Programs : Search (advanced)** Hide Tips

Use the form below to search for programs based on one or more criteria. The list boxes allow you to select multiple values within them by holding the Ctrl/Cmd key while clicking. When values are selected from more than one list box, programs are returned that match the criteria from all the list boxes selected. However, multiple selections from within a list box will return results that fit any of the selections within that list box. If searches are not yielding enough results, try reducing the number of list boxes you select from.

## By Subject

It may be especially useful for you use the Advanced Search to identify programs that offer the types of courses you wish to take.

**Parameters:**

**Areas of Study:**

- Health Care Management
- Health Sciences
- History
- Hospitality

Using the Advanced Search, if I search for all programs offering coursework in Health Sciences I will be given a list of two exchange programs and 21 affiliated programs that offer coursework in the Health Sciences.

Here are the results of a Health Science subject search:

Program Name ↑	City	Country	Region
CEA French Riviera, France - Business & Communication	Antibes- Juan-Les-Pins Sophia Antipolis	France France	Europe Europe
CEA French Riviera, France - Liberal Arts & Social Sciences	Antibes- Juan-Les-Pins Sophia Antipolis	France France	Europe Europe

University of Canterbury	Canterbury	New Zealand	Australia/Pacific Islands
University of Hull (Exchange)	Hull	United Kingdom	Europe
University of Limerick	Limerick	Ireland	Europe
University of Stirling	Stirling	United Kingdom	Europe

Here are a few things to keep in mind about the *Subject* search:

- Areas of Study may not match Carroll University majors exactly. Try searching for areas of study that are similar to the subject you wish to study.
- A subject search will not include courses and/or programs that are open to everyone, regardless of major. For example, NCEP315, a Carroll University faculty-led program on the land and culture of Australia is open to all students, regardless of their major. Health science students may register in this course and fulfill the CCE requirement. Because it is not specifically focused on Health Science course work, it will not appear in a search for Health Science programs.

When doing a simple search you may search on the following criteria:

Program Name	Country
Term	Region
City	

A simple search looks like this:

## By Country

Using either the Simple Search or the Advanced Search, if I search for all programs in Italy the results look like this:

The screenshot shows the Carroll University website interface. At the top, the Carroll University logo is on the left, and the tagline "a proud heritage, a promising future" is on the right. Below the logo is a navigation menu with links for PROGRAMS, STAFF, and LOGIN/REGISTER. On the left side, there is a vertical menu with links for CARROLL UNIVERSITY, OIE HOME, CCE HOME, CCE PROGRAM SEARCH, GET STARTED, FINANCES, RESOURCES, HEALTH & SAFETY ABROAD, CCE STUDENT AWARD, TRAVEL REGISTRATION, and ANNOUNCEMENTS. The main content area is titled "Programs > Program Search (results)". It features a search results box with a "Programs : Program Search (results)" header and a "Hide Tips" button. Below this is a message: "Following is the list of programs based on the search criteria. Click any program name to view details or to apply. If you would like to request information from our staff about programs matching the search criteria you have selected, use the Request Info button." There are four search filters: List All, Simple Search, Advanced Search, and Map Search. Below the filters, a message states: "You searched for outgoing programs within any term, that is in the country of Italy, sorted by Program name in ascending order." A "Request Info" button is located below this message. The search results are displayed in a table with the following data:

Program Name ↑	City	Country	Region
CCS300: Science in the U.K. & Europe: 300 Years of Exploration	Milan	Italy	Europe
NCE323: Travel Journals - Italy	Sicily	Italy	Europe
Study Abroad Italy (SAI) - Florence University of the Arts	Florence	Italy	Europe
Study Abroad Italy (SAI) - John Cabot University	Rome	Italy	Europe

In this example you will see that we have four programs offered in Italy:

- CCS300: Science in the U.K. & Europe: 300 Years of Exploration
- NCE323: Travel Journals – Italy
- Study Abroad Italy (SAI) – Florence University of the Arts
- Study Abroad Italy (SAI) – John Cabot University

The first two programs are faculty-led programs. In this type of program a student would enroll in a course at Carroll University and then travel to the country with the course instructor and all of their classmates. Faculty-led courses include travel that usually ranges between 1-5 weeks. The last two programs are two of Carroll's affiliated program offerings. These are study abroad programs where a student would apply to attend a university abroad for an entire summer, semester, or academic year.

You can click on the program name to be taken to the program brochure which will provide details about the CCE.

### Option 3: List All

The final way you can search for a CCE Opportunity is by using the List All tab. Though this option may not be ideal for narrowing down programs, it is a good option if you have absolutely no idea where you want to go and would like to have an idea of all of the different options you have. You can click on the program name to be taken to the program brochure which will provide details about the CCE.

The screenshot shows the Carroll University website's CCE Programs page. The header includes the Carroll University logo and the tagline "a proud heritage, a promising future". The navigation menu on the left lists various university services. The main content area is titled "Programs > List All" and features a search bar with "List All" selected. Below the search bar, there is a message explaining the listing and a table of outgoing programs. The table has columns for Program Name, City, Country, and Region.
